Sir:

Applicants submit the enclosed references listed on the accompanying PTO-1449 form in compliance with the duty of disclosure as defined in 37 C.F.R. §§1.56, 1.79 and 1.98. Patents and publications identified as D1-D5 and E1-E7 were present in the file when transferred to the undersigned firm for prosecution, but were not listed on the PTO-1449 form previously submitted. Some of those are background IL-4 art, and some of those were published later than the filing date of the parent of the present application.

The remaining items have come to applicants' attention recently. Items B2, B6, B7 and B10 relate generally to IL-4 uses; the remaining references relate generally to cell adhesion molecules, particularly VCAM-1 and antibodies thereto.

The Examiner is requested to make these citations of official record in the present application. A check in the amount of \$200.00 is attached in payment of the fee for filing this information disclosure statement under 37 C.F.R. §1.97(c).

Respectfully submitted,
